

Mr. W. G. P. Sunday Nite
Jan. 3rd.

Hells George!

Everything OK, thanks!
Started waiting tables to-day
at dinner. Will serve noon
and nite for lunch and dinner
meals. Have 15 to 20 regular
boarders - students, colored. The
manager is my girl friend's mother.
That's how I got the job. L. L. G.

P. S.

The lunch room, teaching
and my studies will keep
me pretty busy, so I hope
you will forgive me if
I am slow in writing. The
average letter takes up quite
a bit of my time. L.L.L.
